THESE EXHIBITS AND SEVERAL OTHERS!!!!

MOBILE DAIRY CLASSROOM Southwest Dairy Farmers

Did you know that Chocolate Milk is the NEW sport drink for athletes. Come and learn about the nutritional importance milk adds to your life. See a real cow being milked; where milk really comes from and the positive interaction of dairies and our environment.

THE LIFE OF A HORSE

Learn about the impact that horses have on the farming and ranching community, as well as the importance they have in our lives today.

WILDLIFE & PREDATORS

Come learn about the different forms of wildlife we have in our area, especially those cute little ones that may cause problems much larger than they are.

FRESH FROM THE FARM

Health and nutrition, agriculture and the environment are part of our life EVERYDAY!

SAFETY COMES FIRST

Every year hundreds of accidents happen that could have been prevented. Students will gain a better knowledge of how to react if they should come in contact with some of these life altering situations.

FROM GRASS TO BEEF AND RANGELAND

Texas' roots began with beef. Find out about the history and importance of the beef industry including nutritional values and uses of beef and beef products.

LAMB AND GOATS

Learn about the Lamb and Goat Industry and history in Texas. Observe the breeds and how wool is manufactured into clothing.

RABBITS AND CHICKENS

Livestock is an important part of agriculture. The students will love seeing the animals up close and hearing how they are important in our daily life.
